Re: *Colon v Old Republic Insurance Company et al.*
Docket No.: 22-cv-0433

Dear Judge Furman:

This office represents plaintiff Jazlyn Colon. Pursuant to the Court's October 28, 2022 directive, Plaintiff is required to file opposition to Defendants' motion to dismiss by the end of today, December 28, 2022.

The undersigned is currently working remotely and unexpectedly experiencing spotty access to wireless internet service. As such, Plaintiff requests a 1 week extension of her time to file opposition papers to Defendants' dispositive motion, along with a commensurate extension of time for Defendants' to file their reply papers (currently due on January 6, 2023).

The undersigned notified Defense counsel of his intent to seek this extension this morning as soon as its necessity became apparent, and apologizes to the Court for the late request.

Neither party has previously requested an extension of any deadline associated with this motion.

Respectfully,

David L. Henderson

**Application GRANTED. The
Clerk of Court is directed to
terminate ECF Nos. 43 and
44.**

SO ORDERED.
